Learning @ Young Israel of Bal Harbour

Learning Program

Did you know that the Young Israel of Bal Harbour already has a schedule of regular learning programs throughout the week? (see reverse for details).

Please come and join us if you haven't done so already.

We are currently expanding our program and want to know what **YOU** would like to learn.

Old or young, beginner or advanced - our aim is to provide educational programming to meet your needs.

So whether it's Chumash Rashi, Halacha, Jewish History or Aleph Bais, let us know what you're interested in and we can start to build a truly vibrant and dynamic center of Torah learning for the whole community.

And if you have an area of expertise yourself and are prepared to teach, we'd love to hear from you.

Please let us know what you want to learn.

We appreciate your feedback.
